

# I Believe in You

Noel Robinson & Donna Akodu

Verse 1:

I believe in You  
I believe Your promises are true  
Every Word You speak  
Is faithful to complete  
I believe

I receive from You  
I receive all You have for me  
Every gift You give  
Causes me to live  
I receive

Chorus:

Everyday my faith in You is renewed  
Nothing but Your Word is what I hold to  
Trusting and believing only in You  
Everyday my faith in You is renewed
