

I am Devoted

Noel Robinson & Nick Herbert

Verse 1:

More than a thousand hallelujah's
All of creation sings along
To join the anthem of the angels
And Father I will bring my song

In the light of Your Presence
This is where my hearts belongs
In this moment made for worship
Father I will bring my song

And when my final breath is taken
And I see Your shining Face
This will be my testimony
My whole life a song of Grace

Rise:

I am devoted, Father
My praise belongs to You
I am devoted, Father
From my heart I want to
Thank You

Chorus:

Hallelujah, Your song is in my soul
Hallelujah, I worship You alone
Hallelujah, Your song is in my soul
Hallelujah, take my life, my all

I am devoted (I'm giving all to You)
I am devoted (My life is in Your Hands)
I am devoted (Your song is in my soul)
I am devoted (Take my life, my all)
I am devoted (I'm giving it all to You)
I am devoted (My life is in Your Hands)
I am devoted (Take my life, my all)
I am devoted (Giving it all to You)

More than a thousand hallelujah's
