

# Unshakeable

Noel Robinson, Donna Akodu & Yolanda Antonio

Verse:

Unshakeable, unmoveable  
When dark is all that I see  
It's Your Word You speak over me  
It's incredible, so unchangeable  
My heart can trust totally

Chorus:

Holy, Lover of my soul  
Yes You are worthy  
Your Word says I should stand and trust You only  
What You say keeps me believing  
I wanna lose myself, my all in You
